A Resolution of Officer in Charge in consultation with Hostel Committee

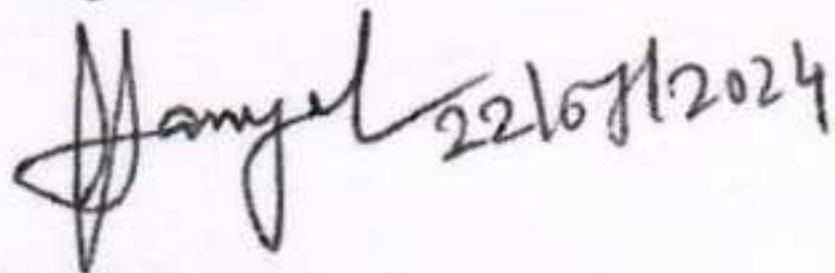

It has been decided after a discussion and repeated inspection that Boys' Hostel II can not be started in semester I for the first year boys going to take admission for the following reasons.

1. As yet no civil maintenance is done by North Bengal Development Department even after repeated prayers of giving estimates. Hostel II needs on be repaired both for electrical appliances and Civil works.
2. The approval of 7 new mess employees for running the mess has not been given by the competent authority. E-Tender to be floated after getting the administrative approval only.
3. E-Tender of Hostel Utensils was floated shortly and it is administrative approval could only be sought after finding L1 vendor after technical and financial evaluation only.

Under these circumstances mostly for hostels are not in living condition the undersigned cannot give permission to run Boys' Hostel II. This decision has been taken in concurrence with Hostel Committee only.

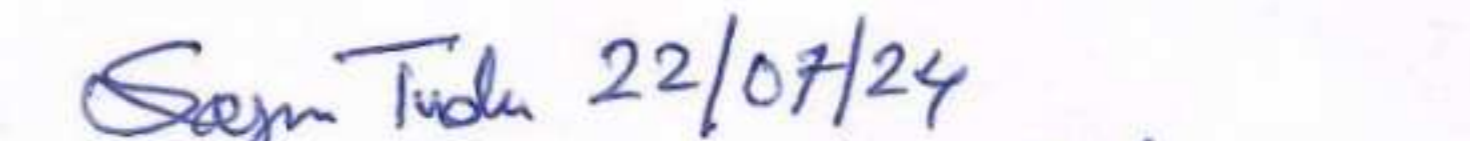

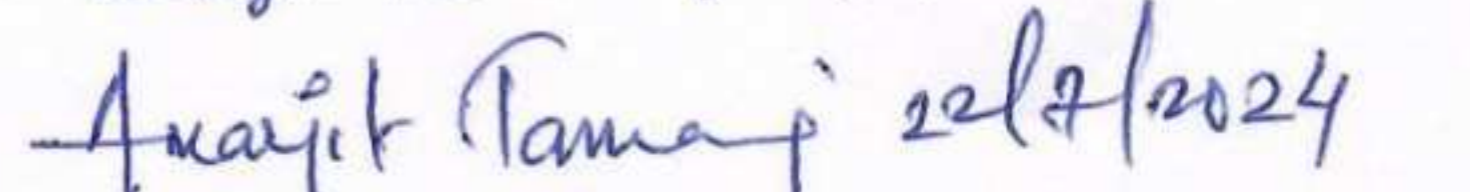

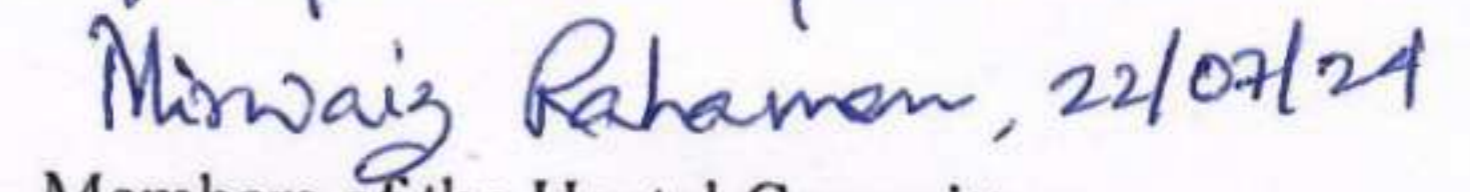

Kindly note that Girls' hostel and Boys' Hostel I will be operative but whether their mess will run after 31.08.2024 is subject to getting administrative approval from the competent authority or on the consent from the Girls students and 2nd year Boys students to run the mess privately.
